**Are you
considering
having an AI
as your
friend and
tutor?**

OPEN LECTURE AND PANEL

THURSDAY 14 SEPTEMBER 2023

5.50pm - 7pm | CANTERBURY CHRIST CHURCH UNIVERSITY

Professor Berry Billingsley will delve into whether AI chatbots can and should become trusted and valued friends with remarkable insights from a panel of experts.

The evening will be introduced by Professor Alison Honour (Deputy Vice Chancellor) and will launch Canterbury Christ Church University's educative approach to AI. This is an approach which recognises the value of human agency and multidisciplinary approaches when we discuss creating and working with AI.

Powell Building (Pg09) | North Holmes Road campus | Refreshments from 5pm

Suitable for students, teachers, tutors, university friends. Register at link below. Or to book a group email lasar@canterbury.ac.uk
